ALLAN LYON

Allan Lyon, of Hancock Street, Altona, passed away on June 18, at the age of 60.

Allan, very well known for his activity and association with the Altona Working Men's Club, had been a resident of Altona for some 20 years.

Coming from Richmond, the house in Hancock Street, was built by Allan personally.

For 45 years he worked in the Victorian Railways at the Newport workshop.

An occasional fishing trip to the Murray (sometimes with spectacular results), rabbiting and a general liking for sport, were until some years ago, among Allan's main interests.

Since 1960 he had devoted much time and energy to the Altona Working Men's Club. Joining in 1960, he was elected President in 1962, a position he held until 1967.

Allan was always active in club affairs, always willing to lend a hand — he was a regular worker in the collection scheme.

He had pride in remembering that he captained the indoor bowls team that won the Moomba Tournament in 1967.

Allan Lyon is survived by his widow Thelma and daughter Jan (Mrs. Norton) and two grandchildren.

After a service at Nelsons' Funeral Parlour, the funeral took place at The Memorial Park Lawn Cemetery. The service was attended by a very large number of mourners.

TUCKER - SMITHIES

A HONEYMOON in England and on the Continent followed the marriage on May 30 at St. Andrew's Presbyterian Church, Footscray, of Mr. Murray Tucker and his bride Elizabeth Smithies, pictured above, signing the register. The couple flew out of Australia on June 3.

The bride is the youngest daughter of Mrs. M. Smithies, of Civic Pde., Altona, and the late Mr. H. Smithies.

She was given away by her brother-in-law, Mr. Robin George, and was attended by her sister, Mrs. Margaret Smith, and Miss Deidre Martin.

The groom is the eldest son of Mr. and Mrs. Tucker, of Benalla.

Best man was Mr. Andrew Murnieks and the groom's brother, Mr. Warren Tucker, was groomsman.

After a reception at the Tottenham Hotel the guests continued celebrations at the home of the bride's mother.

Altona North Police Station

Altona North Police Station is still for the indefinite future.

The latest advice from the Chief Secretary, Sir Arthur Rylah, gives no new information. It was given in a reply to representations by the Hon. A. W. Knight, MLC.

The Chief Secretary said: "As you will appreciate I am unable to give you any definite advice at this stage as to when a commencement will be made on this new building, as the loan works programme for the ensuing year has yet to be determined by Treasury."

"I might add that planning for the new building is proceeding satisfactorily and it is hoped that contract documents will be completed during the next financial year. However, until such time as I know whether funds will be made available for this work, I am unable to tell you when tenders will be called."

"I will write to you again as soon as I am in possession of more definite information."

Rotaract Meeting

Altona Rotaract Club will hold a supper meeting this Friday, June 26, at the Altona High School, Civic Parade, at 7.30 p.m.

Lady members are requested to bring along a plate of savouries, sandwiches, or cake, etc., for supper.

SOCCER CHAMPIONS

These three Altona lads (from left) Anthony Hamill, Graham Reilly and Bruce Roberts chosen to represent Victoria have all played soccer in local primary school teams.

PRIMARY SCHOOL SOCCER has started once again. Last week the finals of the "Max Kidd Trophy" were held at Kim Reserve. Altona, Seaholme and Altona West were knocked out, leaving Altona East to play Altona North — a fitting end as Altona North Primary were last in the previous year's finals. The final began slowly with no team really gaining the upper hand. However, North gained confidence and gradually wore East down. The final scores were North 3, East 1. Mr. B. Antonoff presented the cup to North and medals to the boys. Credit must be given to East as their coach was a member of the team two years previous when they won the cup. The crowd, mostly parents, appreciated the fine display the boys turned on and it's good to see the parents interested.

Primary League, for the L. Noordenne Cup, is continuing every Sunday at 9 a.m. on Kim Reserve, Millers Road. On August 2 and 9 the "Education Week" Knockout Cup will be played. Parents are urged to go along and support their sons and school — they will be very welcome.

Players in the successful Altona North Primary School Soccer team are: back row (from left) — Mark Herbel, Greg Mather, Nick Trifunovic, Joe Goricanec (v.c.), Tim Bikicki; front row — John Pistofian, Tony Christakakis, Greg Mather, John Anile (capt.), Chris Cagalg, Vito Martino, John Cvetkovic; coach, Mr. Ian Jackson stands in the background.

SQUARE DANCE CONVENTION

THESE eight square dancers were among the 16 who represented Altona at the Eleventh National Square Dancers Convention held in Sydney over the Queen's Birthday Weekend. They are Agnes and Keith Paterson, May and Charlie Hick, Molly and Pater McDonald, Jackie and Miles Doak. Some 900 dancers of all ages representing all States and New Zealand attended the Convention. Local caller David Hooper was among the 52 callers who attended. A huge farewell dance held on the Monday at Sydney's "Roselands Shopping Centre" drew a crowd of several hundred spectators, many of whom expressed a keen desire to learn modern square dancing. Most dancers throughout Australia and overseas range in ages from teens to the seventies, and now many schools are teaching this popular activity. Two dances operate regularly in the Western Suburbs. Altona every Thursday night and Footscray on alternate Saturday nights. Dress is neat casual. All inquiries can be made on telephoning 398-2708 or 397-6926.

Fuel For Pensioners

Pensioners who are desirous of applying to the Altona City Council for assistance with winter fuel are reminded that if they are requiring assistance with their electricity accounts for the August quarter that applications for this year's allocations close on Tuesday, June 30.

Applications for oil or gas heating close on July 31, and for wood, briquettes or kerosene the closing date will be August 31.

Teenage Consultation

Teenagers, parents of teenagers and interested adults are asked to attend a meeting to discuss the needs of teenagers in Altona and how St. Eanswythe's Church of England can help fulfil these needs.

The meeting will take place at 8 p.m. on Thursday, July 16 at the home of Mr. and Mrs. R. Andrew, 121 Esplanade, Altona.

It is hoped that out of this meeting some form of relevant youth work will emerge which will have leadership by youth with strong parental support.

State School Savings Accounts

The Minister of Education, Mr. L. Thompson, may have drawn a wrong inference from Mr. Larry Floyd's question in Parliament regarding Savings Bank school accounts.

However, the Minister and Mr. Floyd are in agreement on the desirability of the continuance of these deposits.

The question and answer were as follows:

Mr. Floyd: I ask the Minister of Education: Has it been the practice of the Education Department to co-operate with the State Savings Bank in collecting from school children amounts of money to be deposited in their individual savings accounts each week? If so, has any alteration occurred in this practice within the department?

If not, have individual schools and teachers decided that they will not handle this extra work?

If so, will the department ensure that some opportunity is provided for students at these schools to regularly deposit money in a savings account?

Mr. Thompson: This has been a practice carried out voluntarily by teachers in the Education Department for many years to encourage the development of thrift by the younger generation.

I believe this is a worthwhile practice which should continue. If the honorable member will draw any attention to any schools in his electorate at which this practice has ceased, I shall do my best to rectify the situation.

21st Birthday

THE twenty-first birthday of Ronald Davies, second son of Mrs. I. Davies, of Railway St., Altona, and the late Mr. L. Davies, was celebrated at his home on Saturday night by some 50 guests, including his grandmother, Mrs. C. Green, of South Melbourne.

Close friend, Mr. Alec Aitken, proposed the toast to Ronald and presented him with the traditional key.

HOCKEY CANCELLED

All hockey throughout the metropolitan area was cancelled last Saturday due to the flooded condition of most grounds.

Grant Reserve was in excellent condition and it was frustrating that the four senior games, scheduled for the afternoon, could not be played.

THIS WEEK'S GAMES
Under 16 v. Essendon, 9 a.m.
Under 12 v. Fairfield, 9 a.m.
Under 14 v. Essendon, 10.10 a.m.

EDITORIAL

A DIFFERENT VIEWPOINT

ALTONA Councillor W. Sommers has commented on the wonderful view to be obtained on the Lower Yarra Freeway at the Millers Road overpass.

We have all noted how a reasonable rise in our elevation gives us a new and perhaps unexpected outlook. Our viewpoint from ground level is much more limited, and different from one 20 or 30 feet above.

By the same token, the view of travellers at the West Gate bridge, at a height of some 200 feet, will be in all aspects, remarkable.

Without any adjacent competitive structures there will be an almost uninterrupted picture of the surrounding horizon.

It is well for the people of Williamstown and Altona that those who travel on this bridge will have this view.

For too long Williamstown and Altona have been seen at the ground level. Soon, from an elevation, they will be seen as what they are. From the train and road service, people have never had a complete picture, only glimpses of our cities.

Soon from a different viewpoint, these will be seen in their entirety, in their bay location, in their relationship to other cities and their place in Melbourne shown more clearly.

There will be seen the extensive shore line, much of it awaiting improvement and beautification — the eyesores of the Newport power house, the railway workshop, the rifle range and the briquette dump.

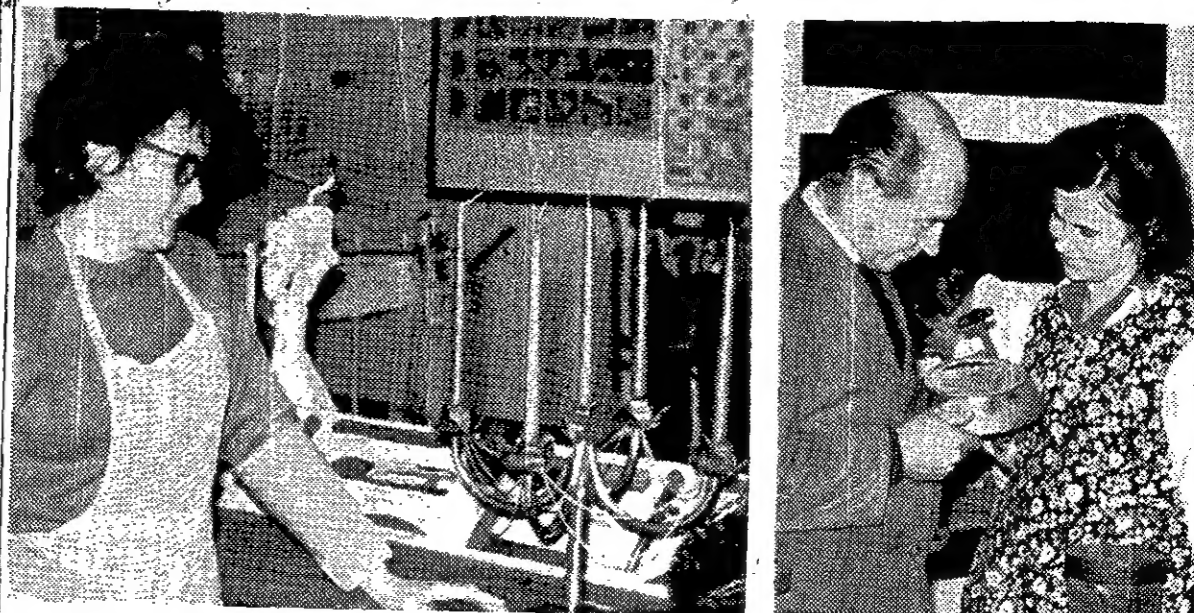

Also, most assuredly will be seen proof that it is not only the chimneys of industrial factories and establishments of Williamstown and Altona that cause air pollution.

Among the varied impressions received by the West Gate bridge travellers, whether they give rise to pleasure or thought, none can be more obvious or more important than their association of the two cities of Williamstown and Altona.

These cities almost islanded by circumstances, have always had much in common.

Soon this will be graphically shown on the map of Melbourne, Port Phillip and surrounds as drawn from the new viewpoint of the West Gate bridge.

Art Metal Classes At ANTS

Art metal work classes at Altona North Technical School have proved popular among housewives who last year produced beaten copper and enamelled articles which won awards at the Royal Melbourne Show.

Pictured at work last Thursday night are — Top left, Mrs. Madeline Ackerly of Marigold Avenue, Altona North, with her entry for this year's show — a candelabra. Last year she gained an award for an enamel wall plaque and a third prize for a jewelled necklace.

Top right, Instructor Colin Tootell discusses with Mrs. Val Komarnicki of Cypress Avenue, Brooklyn, the beaten copper wall clock she is making.

The others at work in the bottom photo are Mrs. Searle of Farm Road, Werribee, Mrs. Judy Murray of South Yarra and in the background Mrs. Lorraine Alphey and Mrs. Glenda Arnold, both of Marigold Avenue, Altona North.

Teacher in charge of the classes held from 6-9 p.m. every Thursday night is Mr. Ern Bastow. Fees are moderate for each half year's term — the second term commences tomorrow night (June 25) and there are some vacancies.

Visitors are welcome any Thursday night to inspect the class.

SOCIAL EVENING

THE Spastic Aid Committee will hold their monthly social evening at the Altona Youth Hall, Civic Pde., this Friday night, June 26, at 7.45 p.m.

TWO bands will be playing at the dance this Saturday night, June 27, at the Altona Youth Club Hall in Civic Pde., Altona.

Dancing will be from 8 to 11.30 p.m.

Ladies' Guild Meetings

ST. EANSWYTHE'S Ladies' Guild will hold their next meeting at the home of Mrs. Nevitt, 21 Harrington St., Altona, on July 1, at 8 p.m. Anyone needing transport is asked to phone 398-2892.

An O-So-Lite cooking demonstration will be held at the home of Mrs. Brooks, 37 Davies St., Altona, at 1.30 p.m. on July 7. Entrance fee is 50c, including afternoon tea. Proceeds will go towards a new stove for the Church Hall.

Members are invited to take a friend to help make the afternoon a success.

Confirmation Classes

Confirmation classes will commence the second week in July for adults and teenagers at St. Eanswythe's Anglican Church, Altona.

Teenagers should be nearer 13 years than 12 on the date of the Confirmation (October 4, 1970).

The Archbishop of Melbourne will conduct the Confirmation at 9.30 a.m. on the above date.

Names of those who wish to be candidates should be in the hands of the Vicar as soon as possible.

Times of meeting will be arranged to suit the candidates.

BABY SHOW

A Baby Show for children from birth up to six years will be held on Saturday, July 4, at the Robing Scott Kindergarten opposite the Williamstown Town Hall.

Trophies will be presented to the Champion Baby up to two years old and to the Prince and Princess aged between 2 years to 6 years.

Sections and judging times of entries are —

OBJECTIVES OF BAY ENVIRONMENTAL STUDY

In 1968 the Board of Works mounted an environmental study to provide a broad picture of physical, chemical and biological conditions in Port Phillip Bay and the effects of many types of input causing pollution.

The investigations are being carried out by the Board in conjunction with the Fisheries and Wildlife Department and the Port Phillip Authority with representatives from the Health Department and the Public Works Department acting as observers. Specialist services have also been utilised from Melbourne and Monash Universities and the consultants Brown and Caldwell — John Connell.

The main objectives of the study are to discover the physical, chemical and biological characteristics of Port Phillip Bay during various seasons and under various flow conditions of tide, wind and fresh water inflow; to correlate this data with discharges entering the Bay with particular reference to discharges from areas under the jurisdiction of the Board and to establish as far as possible the effects of these discharges on the characteristics and beneficial uses of the Bay and finally, to determine if there are specific physical, chemical or biological characteristics which may be used in a continuing programme to monitor and evaluate the quantitative future changes in the Bay.

Second Doctor In The House

While the Board of Works' Metro Farm at Werribee is one of the largest beef producing undertakings in Australia, efforts are constantly being made to obtain greater efficiency.

In order to investigate ways and means of improving the profitability of its cattle trading operations, the Board has engaged Dr. J. S. Young,

The programme includes a mathematical model study of the tides, currents and water movement within the Bay and meteorological effects and the exchange of waters with the ocean.

The study of the marine ecology is mainly the responsibility of the Fisheries and Wildlife Department, with help from Melbourne and Monash Universities. A report on the first year's activities is expected to be ready by the end of 1970.

M.V.Sc., to carry out a three-year study of its herd of nearly 8,000 breeding cows which is run as a commercial beef-producing unit.

The Board's farming operations result in a trading profit of about \$500,000 a year which reduces the cost of purification of sewage.

It is confidently expected that the improvement in efficiency of the Farm's operations will result in an increase in profits for the benefit of the ratepayers.

Dr. Young, who has been Senior Research Fellow at Sydney University for the past eight years, is a recognised authority in Australia and New Zealand on beef cattle fertility.

During the study he will be seconded to the Melbourne University at the Department of Veterinary Clinical and Veterinary Paraclinical Sciences, Werribee, where he will enjoy the closest association with their expert professional and technical staff during the period of the investigation.

A report by Mr. R. C. Simmons, City Engineer, on the provision of street lighting in Blackshaws Rd., west of Millers Rd., has been referred to Altona Council's 1970-71 Estimates meeting.

1st Altona Scouts

SEVERAL vacancies exist with the 1st Altona Scout Troop.

Boys aged between 11-13 years, who are interested in scouting activities, are invited to attend the next meeting on Tuesday night, at 7.30 p.m., at the scout hall, located next to the Altona Civic Hall.

Captain William Boyle

Captain William Boyle, like other pilots, has a great respect for "The Rip" leading to Port Phillip Bay. He agrees that the nickname "The Sleeping Tiger" is quite justified.

Its waters are in a unique sense unpredictable. The nearest approach to its particular conditions he found in a port on the west coast of Scotland.

Ever since ships began to come to Port Phillip water the hazards of the entrance were obvious. It is not by chance that the Port Phillip Pilots Association is the oldest private business in Victoria.

Back in 1838 two pilots Tobin and Sutton were operating from some where near Buckley's cave. Governor Gipps issued the first licence to Tobin in 1839.

William Boyle was born in 1910 in Paddington N.S.W. His father and grandfather were both seamen. After an early life on a farm in Central Queensland, educated in Brisbane, he followed in their footsteps. At the age of 17 years he became apprenticed to the Merchant service. He spent the first eighteen months in the famed Jervis Bay and later with shipping of the Shaw Saville Line.

On completion of his apprenticeship he took his second mate's certificate. At this stage came the depression and he was glad to accept work as an able seaman. However he knew where he was going and at the exceptionally early age of 26 he became a shipmaster.

It was only a small ship, S.S. Sussex but it meant a lot.

Thereafter Captain Boyle sailed the seven seas. In one dramatic period he spent much of his time in Australian and Pacific waters.

After the bombing of Darwin he took part in a shuttle service, part of the time in a small motorship "Katoora" between Darwin, The Islands and near mainland ports.

Most of the larger ships were not available, damaged or sunk. At one stage his ship evacuated Thursday Islanders and others to Cairns. He still values a letter of thanks he received from them.

Later he was in charge of the hospital ship "Manunda". Here was a double hazard. Navigation aids were few. It was "by guess and by thumb", but by present day standards not much better. Also the ship, by international code had to be painted a distinctive color — white, and illuminated at night with a band of green lights around the vessel. These rules the ship observed. The doubt at all times was did the enemy know them and if he did was he going to observe them.

At any rate off Borneo when bombs were falling all round none struck the "Manunda" and off Milne Bay the Japs shot over the "Manunda" but apparently not at it.

A time that will live in memory was a voyage to convey the first freed prisoners from Singapore. "You wondered how any person could be so thin and yet live."

In 1949 Captain Boyle made his application to the Marine Board of Victoria to become a licensed pilot. The procedure shows the care taken in these appointments. First the applicant has to be approved by the Port

Phillip Pilots Association. He must be a Master Mariner and also a Ships Master — a ship's captain. In addition he must have a pilot exemption certificate.

A pilot's exemption certificate gives a ship captain the right to dispense with a pilot in bringing his ship into port. Such certificates are only granted to approved ship masters on the local register. Overseas ships must have a pilot.

Having his pilot exemption certificate Captain Boyle's application was approved. He became a leadman. He served a probationary period of three months in which he was required to do 50 trips accompanying an authorised pilot. Next he served for twelve months as a light craft pilot (Boats of 23 ft. draft or less); then a further 18 months as an intermediate pilot (boats of 29 ft. drafts). These stages completed he became a full pilot.

Each year he must submit to a medical and eye sight test. Captain Boyle with other pilots is required to be available seven days a week, 24 hours a day at a three hour call. With modern communications this is not as bad as it sounds.

About ten years ago the pilot ship "Akuna" figured in a dramatic rescue. A commando unit of the military forces attempted an amphibious landing at Portsea. They were caught in the rip at ebb tide and washed out to sea. The "Akuna" and other ships rescued about 40 but some lives were lost.

Captain Boyle was secretary and treasurer of the Port Phillip Pilots Association in 1960-62 and again in 1964-67. In that position he was pilots representative on the Marine Board of Victoria, the supreme control over shipping in Victoria.

It consists of three Government Technical Appointees and nine representatives of various associated interests of shipping — shipowners, seamen, pilots, etc.

In spite of the restrictions caused by his duties Captain Boyle has shown his interest in Williamstown by his work in Rotary. He has been a member for ten years and is at present its president. With his wife and two sons he resides in Hannan Street.

Nowadays when Captain Boyle is calculating in a half gale his perpendicular and horizontal movements in his endeavours to connect with a ship's ladder, he has no thought for anything else. But in his less devoted moments he would be pardoned for thinking that most people have easier ways in getting to their daily work.

However, Captain Boyle realises that he is doing a job that must be done; must be done so long as Melbourne is a port, as long as ships and their people need guidance over difficult waters.

ALTONA HISTORICAL SOCIETY

The monthly meeting of the Altona Historical Society was held last Wednesday and apologies were received from several members who could not be present including the president.

The vice president, Cr. H. Weaver, took the chair for the meeting.

It was moved that a letter should be written to council asking them to keep both sections of the tree (one from the base and the other from eight feet up), the larger one to be kept in sawdust as it is at present and the other to be treated.

This treatment will take at least six months, after which the Society is hopeful that it can be polished so that the annual rings can be counted, thus giving a fair indication of the age of the tree.

The meeting recommended that a letter be written to Mr. Alan Tyrrell thanking him for the donation of the display case.

The Society is concerned that only a tiny percentage of Altona residents show any interest in attending meetings of the Society. Members would welcome new faces amongst their gathering — particularly young faces. New residents are urged to attend a meeting or two before they find other things to take their time.

Meetings are held on the third Wednesday each month at 8 p.m. at the rear of the Homestead, 128 Queen St., Altona. The next meeting will be on Wednesday, July 15.

The Museum, which is also in the room at the back of the Homestead, 128 Queen St., Altona, is open on the third Sunday each month from 2 to 4 p.m.

It will be open next on July 19. If you have already visited the Museum then you are welcome to come again. Old things have been moved and new things added.

SALVATION ARMY

Altona City Council has approved the distribution of envelopes for the Salvation Army Red Shield Appeal.

The Scouts' Association of Altona has graciously accepted the distribution of same. Appeal boxes for donations will be placed in the following shops: Italia's Foodland Store, 15 Somers Parade; Smith's Cake Shop, 112 Queen St.; Hubbles Self-Service, 49 Civic Pde.; Beever's Post Office and Store, 92 Millers Road.

Envelopes can be sent direct to the Appeal Office or placed in boxes at the abovementioned stores.

Combined Baptismal Service

The West Altona Gospel Mission is combining with the Williamstown Gospel Mission for a baptismal service on Sunday night next, June 28 at 7 p.m.

The service will be held in the Electra St. Mission Hall. There will be no service at Somers Parade.

Val's Column

HELLO GIRLS,

Over the years Satura (Dorothy Gray) skin care products have proved to be the finest of their kind in the world. Satura has been awarded the highest coveted Gold Medal Award by the International Society of Cosmetic Chemists. But this is past history. Up till now there has been confusion surrounding skin care preparations. Now comes the new Satura range, a complete skin care collection. An ingenious and extensively researched collection—to take the confusion out of deciding which separate preparations you have to use for your skin.

Satura range has been selected specifically for the Australian women and their particular skin types. They have simplified your problem. Either you use the protective formulation for normal skins which may range from slightly oily to slightly dry. Only Satura collection specially formulated to benefit extra dry and mature skins prone to flakiness, wrinkles and expression lines.

Normal skins use Satura Cleansing Cream for Normal Skins, in the morning and at night. You may prefer a lotion cleanser, so use Satura Cleansing Lotion either in bottle or roll on.

Tone with Satura Skin Tonic morning and night after cleansing.

Nourish using Satura Moisture Lotion in the morning, as a "during the daytime" treatment (also available in roll on) . . . a Satura Night Cream with Vitamin A at night.

Now, if you can see expression lines forming, feel dryness, tautness of skin. Jump! Start right now! Cleanse away the day's grime with Satura Cleansing Cream for Dry Skin morning and night. You may prefer Satura Lotion Cleanser, in bottle or roll on. Now tone using Satura Freshener morning and night after cleansing. Use Satura Roll On Freshener if you prefer. Nourish the skin using Satura Algene under Makeup Emulsion daily, and at night Satura Algene Concentrated Conditioning Night Cream (or Satura Super Rich Night Cream) for very dry and mature skins. This is a total corrective programme which promises a glowing and younger complexion.

Does the word "Algene" mean anything to you? Tell you next week,

Bye.

Tourist Grant Sought For Beach Racer

Mr. J. E. Morley, Williamstown's Town Clerk, has been directed to seek a subsidy from the Tourist Development Authority for repairs to the old racer at Williamstown Beach.

Reconstruction of the racer, estimated by the City Engineer, Mr. J. T. Rees, to cost \$1500, has been referred to the council's Tentative Estimates Meeting.

In the meantime, the engineer will remove dangerous piles from the racer.

Williamstown Swimming and Life Saving Club some time ago drew the council's attention to the lack of access to the racer because of insufficient foot treads.

Mr. Rees told council that some of the piles, broken off below water level, could be a hazard to persons using the racer. He said minor repairs to the steps could cost about \$200.

The club also suggested that, because of increasing popularity of surf board riding, the council erect notices on the beach in the defined swimming area.

Football Film

The Bank of New South Wales has produced a 25 minute, 16mm. training film in full color, entitled "Australian Football."

In the film great emphasis is placed on physical fitness and sportsmanship.

A feature of the production is the manner in which "slow motion" and "stop action" techniques have been used to demonstrate important aspects of the game such as kicking, marking, tackling and passing.

In producing the film the Bank of New South Wales had the full co-operation of the Victorian Football League and the Australian National Football Council many players and Hawthorn and Collingwood Clubs.

The premiere of the film was held in Melbourne on Monday, June 22.

Copies of the film may be borrowed from the Bank's Public Relations Department, 368 Collins Street, Melbourne, or through any Wales branch.

Mr. Morley reported that a by-law completely prohibited the use of surf board in the area of beach between the Life Saving Club and the dressing pavilion.

Signs giving details of the by-law will be erected in the area.

Altona Camera Club

LAST Friday the Altona Camera Club was given a talk on Print Improvement which developed into a lively discussion on the subject.

Slides taken by Bill Gunn were screened, the slides depicting phases in the construction of the Yarra Crossing Freeway. Bill is making a project of recording the building of the crossing and intends producing a documentary audio visual program.

Club member Frank Mallet having returned from Fiji laden with equipment has now vanished in the direction of Surfers Paradise, no doubt to find some sunshine to try his latest camera on.

All club members are advised that this Friday, June 26, is the occasion of the club's annual general meeting, starting at 8 p.m.

One of the main items on the agenda will be a future building program for a permanent headquarters.

The Altona Camera Club meets every Friday evening except the first Friday in the month. Meetings are held in the Homestead opposite the Altona Public Library, Queen St. Further information can be obtained by ringing 398-1937.

Amateur Photography

Few people realise the benefits to be had from joining a Camera Club. Apart from the social aspect, there is the chance to improve your knowledge.

Competitions are not necessarily a must, but the comments from the judges, numbering approximately twenty, are invaluable.

Even listening to comments on other members' work. Visiting other clubs and seeing their work is yet another way of gaining knowledge.

Two competitions judged recently resulted in placings for:

Colour (subject "Open"): 1st, Mr. G. Hurst; 2nd, Mrs. I. Trist; 3rd, Mr. T. Brereton.

B. & W.: 1st, Mr. T. Brereton; 2nd, Mr. P. Marshall.

Colour (subject "Candid"): 1st, Mr. T. Young; 2nd, Mr. T. Brereton; 3rd, Mrs. M. Wyatt.

B. & W.: 1st, Mr. P. Marshall; 2nd, Mr. T. Brereton.

The annual meeting and presentation night will be held on July 2, at 7.30 p.m., in the Methodist Church Hall, Pasco Street, Williamstown.

Newport Ladies' Bowling Club

At the annual meeting held on June 10, there was a very good muster of members present.

It was a very rewarding and happy year, and we are now looking forward to the 1970-71 season.

Election of officers took place and they are as follows:—

President, Mrs. T. Davies. Vice-Presidents, Mrs. M. Michael, Mrs. R. Whitford. Secretary, Mrs. N. John. Treasurer, Mrs. A. Ritchie.

Asst. Secretary, Mrs. J. Schmidt.

Committee: Mrs. L. Spicer, V. Sinfield, J. McLeod, J. Davies, P. Luke, G. Vickers, J. Schmidt, N. Hopper.

Selection Committee: Mrs. P. Luke, M. Michael, J. Schmidt, M. Fitzpatrick, G. Vickers.

Match Committee: Mrs. N. John, R. Whitford, N. Hopper.

Publicity Officer, N. Hopper.

COUNCIL SURVEY OF FERRY USERS

Cr. H. W. Clancy has asked Williamstown's Town Clerk, Mr. J. E. Morley, to conduct a survey among the people using the ferry to find out who would still be interested in using it after the Westgate Bridge opens.

"It occurred to me there may still be a need for the ferry," Cr. Clancy said. "We seem to have accepted that the bridge will be the end of the ferry, and it could well be, but this will give council some facts to consider before it makes its final decision."

"The ferry could be kept on maybe at limited hours or only at peak periods. The information gathered will be of great assistance to us."

Cr. D. J. McDonald said the council would have to take into consideration that the river is to be widened as soon as the bridge is completed.

"That would mean you would have to have a new dock and longer chains," he said.

Mr. Morley pointed out the council could only operate the ferry under licence from the Harbor Trust.

"Some time ago a resident bought a tug and renovated it," said Cr. J. M. Byron. "He applied for permission from the Harbor Trust to run a service from Gem Pier to Port Melbourne, but the Harbor Trust wouldn't allow it. We'd have to make it an amphibian ferry if the river was widened."

The Mayor, Cr. R. Dawes, said he had felt for some time there could be a need for the ferry after the bridge was built.

"I don't dispute that," said Cr. Byron.

Cr. Clancy assured council it would have the support of a neighboring municipality.

"It quite possibly may be refused by the Harbor Trust, but we should have these facts before we reach our decision," he said. "It

wouldn't be expensive to take a survey, and it would be something for the council to work on."

Newport Amateur Swimming Club

George's Handicap night was a great success.

Group 1 winners were Jennifer Canning and Leigh Hart.

Group 2 winners were Gail Sharp and Warren May; Group 3, Sharon Kirk and Steven Kane.

Swimming against Malvern on Sunday in the Winter Pennant, the junior boys, junior girls and senior boys won their sections, whilst senior girls were defeated. At this stage members are swimming very well and hopes are high for the final series.

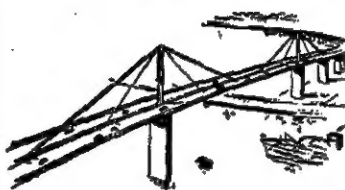

Graded scratch races will continue each club night

COUNCIL PLAN ADOPTED

The Lower Yarra Crossing Authority will allow pedestrians across the Westgate Bridge before the official opening, following a suggestion by Williamstown Council.

Saying the council's suggestion was excellent, the Authority's general manager thanked council for its interest. He said the public would be able to cross the bridge and view the surrounding area.

THE CURTAIN RISES

BY THISBE

Graham Murphy has been busily organising the "Great Working Bee" to be held this weekend at the Williamstown Little Theatre, 2-4 Albert Street, Williamstown.

Mr. Tom Parkinson, whose beautiful carpentry can be seen in shelves and fittings all over the building, has been trying for ages to put shelves in what is generally described as the paint store.

The need for these shelves is well known to anyone who has ever been sent to find a paint brush or a four inch nail. Although everything is neatly stacked, a wrong move may leave the searcher, ankle deep in boxes, tins and buckets.

Besides this special moving and sorting, there is always a lot of cleaning up to be done so that the back stage staff can find the odd flat or piece of trellis work needed to put that special touch to the sets for "The Duenna".

We are already receiving advance party night bookings for this delightful comic operetta set in Spain.

The original work was written by Richard Brinsley Sheridan and our version has been modernised and set to

music by Jeremy Slade. Mr. Slade is best known for his charming and youthful musical "Salad Days".

If your club is looking for a way to make money without a great deal of effort, why not contact Mr. Ellis Ebell at 397-7600 (after hours) and discuss our scheme?

"The Duenna" will run from Monday, July 20 to Saturday August 1.

PHILATELIC SOCIETY

The last meeting of the Williamstown Philatelic Society was held on June 18.

At this meeting an extremely good display of the stamps of the Australian States and early early New Zealand, was given.

A notable item displayed was a mint and used copy of the New South Wales 1897, Consumptive Homes, Charity Issue.

The display was followed by a small talk by both Mrs. Jones and Mr. Doig. Both speakers thanked Mr. Melville for his display and congratulated him on his fine collection.

The Williamstown Philatelic Society would also like to take this opportunity to wish the newly-formed Altona - Philatelic Society the greatest success in the future. The committee offers its advice over any affiliation problems, etc., that may arise.

Williamstown Philatelic Society meets on the third Thursday at 8 p.m. in the Williamstown Museum, Mechanics Institute, 15 Electra St., Williamstown. Anyone interested in stamps is invited to attend meeting or to contact the Secretary, c/o Box 65 Williamstown, 3016.

TPI SOCIAL CLUB

Sixty-nine members had an enjoyable afternoon at cards on June 18.

Card winners were ladies, Mrs. E. Martin and gents, Mr. J. R. Campbell.

The half yearly aggregate winners were announced as ladies, Mrs. E. Martin, gents, Mr. E. Leyton and Lone Hands, Mr. A. Smith.

Mr. T. Braszell was presented with a Certificate of Merit for his services to the Club over the past five years when he was President.

The next card afternoon will be held at 1.30 p.m. on July 2 in the Manchester Unity Hall, Footscray.

On June 10, 45 members spent the afternoon at the Athenaeum Theatre and enjoyed the show, "Forty Carats".

During the week two members passed away namely, Mr. H. Clark (Newport) and Mr. M. Craig (Williamstown). Our deepest sympathy go to their families.

GIRL GUIDES

WEST METRO. REGION Division Commissioners from all over the State of Victoria met together at Guide Headquarters on Monday, June 22.

Any interested person keen enough to help handicapped guides are more than welcome to attend the Extension Branch Auxiliary meeting on Monday, June 29 at 7.45 p.m., at the home of Mrs. Carlyon, 66 Suffolk Street, West Footscray.

Inquiries regarding the theatre morning to see "Cactus Flower" on Monday, July 13, at the Odeon, Melbourne, at 11 a.m., may be made to Mrs. Bond, Branch Secretary, phone 311-2145.

They will be pleased if as many as possible would support this fund raising effort in aid of the Extension Ranger Guides.

LETTER TO EDITOR

Dear Sir,

Greetings, in the name of our dear Lord, Jesus Christ. We would like to introduce ourselves to you, the people of Altona, and tell you why we are visiting your homes.

Our names are Elder Dennis N. Emery, 19, of Salt Lake City, Utah, and Elder R. Brian Olson, 20, of American Fork, Utah, about 30 miles south of Salt Lake City.

We are two Americans representing the Church of Christ of Latter-day Saints, more commonly known as the Mormon Church.

We have discontinued our University studies, left our homes in the United States for two years and travelled thousands of miles to this lovely country of Australia to tell you about our way of life as members of the Mormon Church.

We are just two of thousands of young men and women all over the world engaged in this work. We love the work and are looking forward to meeting each one of you in the near future to share with you the gospel of Jesus Christ.

— Dennis Emery.

A.N.A. General Knowledge Competition For Schools

On Friday, June 19, at the Athenaeum Art Gallery the grand final of the Australian Natives Association metropolitan committee's general knowledge competition for schools was held.

Sixteen finalists (nine girls and seven boys) from secondary schools in eight zones of the metropolitan area were each asked six questions by the adjudicator, Mr. G. E. Morris.

First prize went to Suzanne Kalenburg (Marian College, Sunshine) with six correct answers.

Patricia Lahy (Siena Cent. Camberwell) and Justine Vaughan (Mercy College, Coburg) tied for second with five correct questions. After further questions Patricia was placed second and Justine third.

This is the first occasion in the 16 years of the competition that all three prize-winners were girls.

The prizes (in the form of book order) were presented by the A.N.A. Federal President, Mr. J. E. Menadue, who congratulated the competitors on their high standard.

Suzanne's school will also benefit from a book order valued at \$20 for the school library. Suzanne was a finalist in Zone 8, which covers the Altona, Sunshine, Wil-

liamstown and Footscray areas.

Cr. Les Crofts, who is secretary of the Altona Branch of the A.N.A. recommends all secondary schools in the Altona area to enter the competition in 1971, which is the centenary year of the A.N.A.

Mount St. Joseph's Walkathon

On Sunday, June 14, 1200 walkers took part in a 10-mile walkathon around Altona.

Girls form the college, nuns, teachers and boys from St. Paul's College, Altona North, plus many of their friends, participated.

A barbecue and dance, featuring the pop groups Thursdays Children and The Billboard, followed at the school.

The day proved a great success with approximately

Presbyterian Basketball

C Grade, 19 goals, defeated Wood Street (1), 12 goals. B Reserve, 69 goals, defeated Yarraville Baptists, 3 goals.

The poor weather conditions did not stop the teams from trying and only made them work harder.

It is hoped that both the Presbyterian teams will be in the finals this year. So far they have shown good prospects.

\$4000 raised. The proceeds will go towards the Mount St. Joseph's School Building fund.

BOARD DOESN'T CONTROL DISCHARGE TO STREAMS

The Board of Works had no power to approve or disapprove of the discharge of trade wastes into streams for which it is responsible, the Board's secretary told Williamstown Council last week.

He said the Board's powers were limited to action after an offensive discharge had occurred.

"Any industry wishing to discharge directly or indirectly into any stream must make application to the Department of Health," the secretary wrote.

"That authority can issue

permits for such discharges after it has referred the applications for comment to the Fisheries and Wildlife Department and the relevant drainage authority, for example, either the Board, the Dandenong Valley Authority or the State Rivers and Water Supply Commission, depending on the catchment concerned.

"The industry would have to satisfy the Department of Health that its proposed treatment apparatus was adequate to ensure that the effluent will conform to the accepted quality requirement for discharges to streams before a permit would be issued.

"Pollution of streams, and drains, in the metropolitan area is frequently the result of industries with offensive wastes establishing themselves in unsewered areas, and not seeking permission to discharge their wastes as

required by the Health Act.

"Councils can assist considerably in this matter by ensuring that whenever a building permit is being sought for any commercial or industrial development that has a trade effluent, applications are made in unsewered areas, to the Department of Health, and in sewerage areas, to the relevant sewerage authority, for example, the Board or the Sewerage Trust concerned.

"Council's co-operation in this way and their control of undesirable wastes discharging to the drainage system from washdown areas, for example, service stations, machinery and drum areas, etc., would prevent a great deal of pollution from taking place.

"The Board looks forward to co-operating with all Councils and other authorities to play its part in achieving effective water pollution control within the metropolis."

Cr. H. W. Clancy asked the Chief Health Inspector, Mr. N. C. Hawthorn, to report on the Board's suggestions and to express views the council could put to the Board.

"I'm sure the Health Inspector could suggest a number of matters," he said.

CLAIM AGAINST COUNCIL "FANTASTIC"

Cr. P. G. Sadler described as "fantastic" a \$4000 claim against Williamstown Council by Mr. A. C. Titter, Electra Street, Williamstown.

Mr. Titter claims the money is owed to him as a result of costs he incurred when the council intervened in a rental court case.

He said he intended to press his claim and set out details of three courses of action he intended to take.

"What a dreamer," exclaimed Cr. Sadler, moving that the letter be "noted."

Cr. H. W. Clancy said a copy of Mr. Titter's letter should be sent to the City Solicitor.

"A notation is just a move to get rid of this," said Cr. J. M. Byron. He moved an amendment that the item be referred to the council's Public Works Committee.

He was supported by Cr. C. B. Bates.

"I don't know anything about this claim," said Cr. Bates, "and from what I've heard tonight, I probably don't want to know anything more, either."

"This claim has already had more discussion than it warrants," added Cr. Byron.

DARTS

A team from the Western Suburbs Darts Association defeated Mildura nine games to four in the season's second representative game. In the first against Melbourne league Western Suburbs won eight games to five.

The selectors are making changes in the team to provide the best lineup against Geelong.

The full squad is: Smelt (C/Suttons), Stirk, Neal, Thorogood, Mannering, Healy, W. Ellis (all of Bristol), Baker (Plough), Carlin, Barker (Racecourse), May (Gellibrand), Thomas, Butts, Fox (I.C.I.), Kennedy (Seaholme), Stenta (Melton) and Coff and Mayne (Racecourse). At least two more players are to be added to the squad.

Club secretaries should inform players of the coming individual and doubles championships, details of date and venue are still to be decided.

Altona Cyclists Successful

Riders of Footscray Cycling Club successfully competed in the 3-day Ararat Cycling Tour on the Queen's Birthday weekend.

Several Altona cyclists were among the trophy winners.

Results:
Junior A Grade: N. Provis 1, T. McEwan Jnr. (Altona) 2, J. Williamson (Altona) 3, L. Connarty 4, R. Croker (Altona) 5.

A Grade Juvenile Div. 1: T. DeLongville 1, J. Threadgold 2, G. Goldberg 3, J. DeLongville 4, D. Sanders 5.

T. McEwan Jnr. (Altona) also won King of the Mountains and was a fourth stage winner.

B Grade Juniors was won by Robin Croker, of Altona. Robin was also 5th overall. Terry Gardner of Altona, took 3rd place.

B Grade Juvenile: R. Woodgate 3rd, W. Gardner (Altona) 4th, D. Self 5th, W. Gardner (Altona) was also a stage winner.

Says Refusal Was Wrong

Mr. B. Shulkes, solicitor for Mr. G. Czwikliczer, owner of land in North Rd., Newport, has asked Williamstown Council to withdraw its refusal to issue a land use permit for a motor repair workshop.

Mr. Shulkes told council that the land was lawfully used for an engineering shop immediately prior to the application for a permit, and therefore no permit was required because of the established non-conforming use of land.

Council has referred the matter to its Planning Committee.

Concern For Safety On Kororoit Creek Road

Williamstown Council is concerned for the safety of both pedestrians and motorists who use Kororoit Creek Road.

The council has directed that white marker lines be painted down the centre of the road from Florence St. to the Mobiltown Railway Crossing to help motorists keep to the correct side of the road during fog.

The City Engineer, Mr. J. T. Rees has also been asked to report on the provision of a footpath along the road.

The Altona Methodist Church told council that a church member had complained about the lack of pedestrian facilities from the Mobiltown and North Williamstown Railway Stations to the Migrant Hostel in Kororoit Creek Rd.

The church said a woman was killed on the road some time ago, and as the hostel seemed to have a greater measure of permanency than before, it asked council to provide a footpath so pedestrians could walk with safety.

"For the life of me I don't know where we are going to put a footpath," said Cr. P. G. Sadler. "There is no regular fence lines along there. I appreciate how terribly dangerous it is, and it certainly must be worse in wet weather."

"People certainly can't walk along the side of the road. It's not defined. This is a terrible problem."

He asked the engineer to make a report and supply plans of the area to council. "This is obviously a Commonwealth problem," said

Cr. H. B. Whittaker. "They put the hostel there. They should provide a footpath. We're not getting any rates from the hostel."

The Mayor, Cr. R. Dawes, said the Town Clerk, Mr. J. E. Morley, had contacted the Commonwealth Hostels Ltd. about a footpath, but had received no reply. He said Mr. Morley would write again.

Cr. H. W. Clancy asked the engineer to report on the cost of the cheapest possible footpath for the road—even if it was a gravel path.

Cr. J. M. Byron referred to the decision to place fog markers on the road.

"I think someone will be hit before we get fog markers," he said. "People have no option but to walk on the road."

Council asked the engineer to report to the next Traffic Committee on the general requirements for central and side marker lines on roads throughout the municipality.

Wants Public Statement On Cox's Gardens

Mr. B. Cunningham, of Nelson Place, has called on Williamstown Council to make a public statement on the intended use of land in Cox's Gardens if the proposed demolition of a house there takes place.

Mr. Cunningham set out his views on the proposed demolition and asked the council to clarify its position.

The Town Clerk, Mr. J. E. Morley, in reply to Cr. J. M. Byron, told council the property would remain in the possession of its present owner if the demolition order was carried out. He said the land was zoned for local business.

"The council never at any stage wished to take over that street for parking," said Cr. H. B. Whittaker. "We haven't got the money. I don't know where this gentleman got his information."

An appeal by the property owner, Mrs. M. R. Cooper, against the Housing Commission demolition order will be heard in the Williamstown Court on July 10.

Council has deferred consideration of three letters about the Cox's Gardens house, from Mrs. Cooper, Mr. Cunningham and the National Trust, until a committee meeting on August 3.

Parents Without Partners

Next meeting of the Western Branch of the Parents Without Partners' organisation will be held at Moonsee Ponds on Sunday, July 5 at 2 p.m.

Inquiries regarding the meeting from members or intending members should be directed to 379-5150 or 309-3895.

Headquarters of Parents Without Partners is Room 21, 1st Floor, 104 Wellington Parade, East Melbourne, 3002.

HOSPITAL BALL POPULAR

This year's Footscray and District Hospital Ball should be popular as it is their 21st birthday and to make it a ball to remember the music will be provided to suit all ages and tastes.

The more conventional type of dance music will be played up until 10.30 p.m. and from then on "The Buys" will sound out the popular modern trend material that will set all feet moving towards the dance floor.

There will also be a change of the usual supper routine, which has been a sit down meal in the past. This year, on Tuesday night, July 28, patrons will have a wide choice smorgasbord style.

Sixteen young ladies will make their debut to the Chief Commissioner of Police, Noel Wilby.

Tables may be booked from any of the following: Mrs. W. Stoneham (debs only), Mrs. P. Gallagher 68-1498, Mrs. E. A. Youens 68-1689, Mr. E. A. France 68-3175 or the Footscray and District Hospital 317-0211.

Liquid refreshments will be B-Y-O style.

Subscription is \$4 per person.

Top W.S.F.L. Sides In Easy Wins

OPEN CYCLING RACE AGAIN SUCCESSFUL

By WARDEN JAMES

The four top Western Suburban League sides — West Newport, Altona, Newport and Central Altona — all had very easy wins last Saturday.

West Newport crushed Maidstone by 113 points, Newport won by 99 points, Central Altona defeated Laverton by 79 points and Altona ran away from Williamstown United by 77 points.

WEST NEWPORT'S win over MAIDSTONE was as expected, however, as Maidstone was considerably weakened.

They had seven regular players out of the side and only had 15 men before secretary **John Laslette** and boundary umpire **Mal Hewitt** took the field.

WERRIBEE surprised NEWPORT when it kicked three goals in the first 15 minutes of the first quarter, but they didn't score again until the third term.

Newport kicked 5.8 in the second quarter and from then on were never headed.

ALTONA were without top ruckman **Peter Wenlock**, but still managed a very easy win over WILLIAMSTOWN UNITED.

And they could be further strengthened by the return of **Jim Riley**, who has not been able to make the grade at Williamstown.

CENTRAL ALTONA had to pull all stops out in the third quarter against LAVERTON after being only three goals up at half time.

This they did, kicking 6.8

against the wind and the game was virtually over.

Laverton captain-coach **Ken McKenzie** is still not able to shake off a persistent injury and again had to leave the field at half time last Saturday.

In UNDER 18, NEWPORT kicked 7.11 to LAVERTON'S one goal in the first quarter and really asserted its supremacy after half time when it kept Laverton to one point for each of the final two quarters.

ALTONA "A" reversed an earlier loss against ALTONA "B" by winning by eight goals. However, but for inaccurate kicking their winning margin would have been much greater.

OPEN AGE

West Newport 17.25.127 d. Maidstone 2.2.14. Newport 19.16.130 d. Werribee 5.1.31. Altona 16.12.108 d. Williamstown United 4.7.31. Central Altona 17.20.122 d. Laverton 6.7.43. RAAF Point Cook had a 16 goal win over Brooklyn.

B Grade were defeated 3-1 by NSC who appear to be the side to beat for the flag.

Bill McLaren couldn't quite clinch his five-setter at No. 3 position, while **Jimmy Finch** is still struggling to find form.

John Robb and **Margaret Russell** have announced their engagement and all in the club wish them every happiness in the future.

THE second staging of the Altona Traders 60, the open cycling race promoted by the Williamstown and Newport District Cycling Club, which started and finished on the Altona Esplanade last Saturday afternoon, proved equally as popular as last year's initial event which augurs well for its future.

Footscray's **Barry Tanner** outprinted a bunch of approximately 20 riders to record an excellent win, while the fastest time went to **Kerry Gawley** of Warrnambool who also gained time honors in the Chalmers Watt Memorial a fortnight ago.

Following the presentation to the successful riders the League of Victorian Wheelmen and Williamstown Cycling Club officials were guests of the Mayor and councillors of Altona at the Civic Chambers, while the contestants, along with their friends and club officials were made to feel at home at the Altona Working Men's Club.

The Williamstown Club had four starters in the race and all completed the course.

Tony Robson finished with the leading bunch while **Wal O'Brien**, who punctured one mile from home, came in close behind them.

Leon Constaninou finished in the second and largest bunch of approximately 40 riders and **Colin Robson** displayed courage to see it out.

This coming Saturday the Williamstown and Footscray Clubs will combine in a 46 mile handicap which will start in Sneydes Road at 2 p.m.

SWINGING WORLD

With **RON COLEMAN**

POP REVIVAL IN WESTERN SUBURBS

Swingers, I have great news for all of you. The Melbourne pop scene may be dead but it's not going to be that way for much longer, particularly here in the Western Suburbs.

A pop revival began last Friday night with a big happening at the Altona Civic Hall featuring **ÆSOP'S FABLES** and **THE WAREHOUSE**.

But that was only the start. This Sunday night Michael Kadinsky and the men from AMBO entertainment agency are opening a brand new weekly dance in Werribee called Cucumber Castle.

And on Thursday night the Brooklyn Village Drive-In is going pop with the film "Isadora" starring Vanessa Redgrave and a disco-dance featuring The Warehouse.

Just lately the Williams-town Town Hall dance has been "packing them in" on a Saturday night and on Friday last a pop spectacular was held at the Orama in Footscray.

Recently Altona High School, St. Joseph's Girls' School and Altona North Technical School all held successful dances.

These dances proved that pop music and dances are still as popular as ever on this side of town despite the fact that most of the city discos have closed their doors.

Club Y is a very popular dance in West Footscray and the fortnightly Spectre dance at Sunshine is a good crowd-drawer.

Cucumber Castle will carry on in Werribee where Bus Stop 1 left off. It should be just as popular because of the lack of entertainment for young people on this side of town.

This week the dance will kick-off with a farewell appearance by **THE VALENTINES** who are breaking up. Also featuring will be the ever popular **TOWN CRIERS**.

And at the Brooklyn Drive-In commencing Thursday night at 6.30 p.m. the Warehouse will play for one hour each night until 7.30. On Sunday night they will play from 6.30 to 8.30. Go-Go Girls will also be featured. It's all part of a campaign to promote the movie "Isadora", starring Vanessa Redgrave.

This Week's Competition

To win a double pass to the Brooklyn Village Drive-In name the pop group that played the theme music for the film "Goodbye Columbus".

Address all entries to **ALTONA STAR**, 101 Pier St., Altona, 3018.

Noddy's Crew Did Well

Did you see **NODDY'S CREW** on "New Faces" last night? The group gained top score for the night and the boys could well enter the finals. We did not have space for a photo last week so here is a sneak preview of the group's new line-up which incorporates two extra members.

Altona Dance A Success

The dance at the Altona Civic Hall last Friday night was enjoyed by a strong representation of local swingers.

The crowd of over 200 danced to the professional sound of Aesop's Fables and marvelled at the antics of the Warehouse.

Tim and Julie were there to promote "Popvine", the swinging segment of "Weekender" newspaper. They gave away LP records, singles and packets of pantihose.

An LP record was also donated by Jan of the Altona Record Bar.

Competition Winners

Runner-up in the "True Grit" competition was **Miss A. Borg**, of Wren St., Altona, who wins a Drive-In pass.

See next week for more results.

Entertainment

Thurs., Fri., Sat.: BROOKLYN VILLAGE DRIVE-IN, 6.30 p.m., The Warehouse; 7.30, "Isadora".

Sun.: CUCUMBER CASTLE grand opening with Valentines, Town Criers. **DRIVE-IN**: 6.30-8.30, Warehouse Pop Group; 8.30, "Isadora".

Warehouse Extend Thanks

The members of the Warehouse would like to extend their thanks to all those young people who turned up at the Civic Hall to support their debut. They feel they made a few fans on Friday.

The boys would also like to thank Jan from the Altona Record Bar for her interest in the young people of Altona.

And a special mention for Mick, the caretaker of the Civic Hall, who went out of his way to be helpful at the dance.

Eternals At Hoppers Crossing Ball

Popular local 50-50 group, **THE ETERNALS** provided the music for the Hoppers Crossing Ratepayers' Association Ball at the Werribee Civic Hall last Friday night.

I did not think this group was still in existence but evidently the boys are still fit and well despite the fact that most of them are married now.

It is good to know that a local group like this is still on the scene and residents of this area should be encouraged to give consideration to local groups when arranging bookings for parties or social functions. Particularly in the case of a 50-50 dance when groups like the Eternals do a very good job.

Swinger Of The Week

Swinger of the Week is **Jan Davis** who runs the Altona Record Bar. Jan has devoted a great deal of her time to the young people of Altona. She is inspired by an equally good worker in Lorraine.

Letter From A Mother

Fan mail is at an all time low. But some people still find time to write to me—

Mr. Coleman,
In reply to the guitarist who parted from an Altona 50-50 group, it's tough when you have to find excuses for lack of talent but you should do well where you are.

I wonder why you left the other two groups, maybe they had mothers, too.

From Mother.

WESTGATE JUNIOR RUGBY

RESULTS of games played in the West Gate Junior Rugby Union matches on Saturday, June 20, are as follows—

UNDER 12
Williamstown Technical School 3, lost to Sunshine Technical School 12.

Played at The Strand Reserve, Newport, WTS failed to stop STS by weaker tackling and indecisive passing in a game they might well have won.

SCORERS: Michael Gurkin, 1 try.

Williamstown / Altona Ramsdens 6, lost to St. Paul's Primary 15.

Playing at The Strand, Newport, W/A Ramsdens were outrun by SPP, who have recruited well since the last meeting to produce a couple of strong hard runners.

SCORERS: J. Davey and M. Humphries, 1 try each.

UNDER 14
Altona North Technical School 20, d. St. Paul's 0.

Playing at St. Paul's, ANTS were able to hold their top position of the Western ladder in a game to decide the leader, to which the scores give no indication of the good play by both sides.

SCORERS: A. East 3 tries, G. Clark 1, D. Gates 1, J. McKendrick 1, J. McKendrick 1 goal.

UNDER 16
Williamstown Technical School 14, lost to Nunawading 27.

Playing at The Strand, Newport, WTS were a bit overawed by the much larger visitors, but soon recovered, and returned a very creditable game to realise that they could have won if they had commenced as they finished.

SCORERS: Tries: C. LeBlanc, T. McCubbin, M. Grinter, P. Robinson; Goal: W. Backhouse.

Altona North Technical School 17, d. Power House 8.

Playing at Middle Park, ANTS maintained their undefeated position to remain top of the U-16 ladder. With harder games ahead their improved training will give dividends. Better adaption to the wet muddy conditions and more drive were the key to their success.

SCORERS: Tries: T. Manoussakas, W. Sendecky, D. Mills, S. Amato, P. Elias; Goal: M. Grigg.

NEXT GAMES

Games for Saturday, June 27, are as follows—
U-12: W/A Ramsdens v. WTS at The Strand, Newport, at 9 a.m.; STS v. SPP at Footscray, at 9 a.m.
U-14: WTS v. SPC at The Strand, at 10 a.m. ANTS v. Moorabbin at The Strand, at 10 a.m.
U-16: WTS v. Harlequins at Glen Iris, at 11 a.m. ANTS v. Box Hill at Box Hill, at 11 a.m.
U-18: Footscray v. Power House at Middle Park at 12 noon.

WESTERN SUBURBS TABLE TENNIS

Stephen Slattery became the 1970 Western Suburbs Table Tennis A Grade Champion when he defeated team mate Barry Taylor in a tension packed final 18-21, 21-16, 22-20, and so won his second singles title in two weeks.

Both players were using defensive tactics, resulting in long rallies, and in the third and final game Slattery, after winning the second 21-16 to level and one game all, was down 9-14, but fought back tenaciously to level at 15-11.

The lead then seesawed up to 20-11 after Slattery netted a forehand drive when leading 20-19. However, he held on to outlast Barry Taylor who lost in a fighting finish 20-22.

The championships featured upsets in all grades and in the top grade players to do well were Lindsay Loone, who put Jim Montgomery out, 21-15, 21-18, and Barry Watson who defeated Alan Coustley 25-23, 18-21, 21-17.

Slattery and Taylor continued to dominate the championships when they easily won the A Grade Doubles final defeating Alan Coustley and John Garvin 21-14, 21-18.

B1 GRADE

Barry Watson, the No. 1 seed, was too experienced for Bob McInness who put on a great show in extending Watson, especially in the second game when, after being down 2-10, came home well to win this game 24-22, but could not sustain the effort and finally lost the final 14-21, 24-22, 10-21.

Barry Watson also played in the B1 Doubles final combining with Alan Dyal to win 21-16, 21-11. Their opponents, veteran Jack Wylie, and Dave Doyle could not match the confident Watson and Dyal who were reliable in defence and attack and they were the No. 1 seeded pair.

C GRADE

Chris Thomas, of Kingsville YMCA, won the C Grade Singles final from Oliver Davey's Geoff Street. Thomas won a high stand-

South Thirds Narrowly Beaten

IN A close game, South Melbourne had victory snatched away from them after leading Melbourne for three quarters.

After an even first quarter, South went into attack through Parker, Brookes and Kurth, but a lapse in concentration allowed Melbourne to score three quick goals.

Early in the third term, Pasquill goaled, followed by a goal from Brookes, and again South took control of the game. Melbourne gradually fought back, and three more goals saw them two points behind South at three quarter time.

Melbourne went into attack in the last quarter and scored two quick goals to put them in front. South came back through Brookes, who goaled twice, but Melbourne held them off to win by two points.

SCORES: South Melbourne 10.8-68 lost to Melbourne 10.10-70.

GOALS: Brookes 5, Pasquill 2, Kurth, Parker and Kelly.

BEST: Brookes, Pasquill, Hocking, Bell, Hipworth, Kurth.

they defeated E. and T. Bertram 21-8, 21-17, to win the E Grade Doubles final.

Bunce and Quayle showed greater all-round ability than their opponents and won fairly easily to win the final in two game straight.

3rd Altona Scout Group

The wet weather has unfortunately curtailed some outdoor activities of the Cub section, but nevertheless the boys' spirits have not been dampened, nor their enthusiasm for test passing affected.

Yellow Six (under the leadership of G. Sampson and seconded by P. Ellis) won the bone competition. These six boys will be taking bowling as part of their prize.

First Year Service Stars were recently presented to D. Greenwood, B. Orchard, E. Brown, G. Burnell and C. Lowden. B. Orchard also earned his First Star.

Welcomed into the Pack are new chums, P. Matheson and S. Bosccke. They are wished a happy journey through the jungle.

ALTONA CITY BACK IN GOOD SOCCER FORM

Richmond were unlucky to find Altona back to full strength again after a crop of injuries.

Hynes, King and Savage were included in the line-up and what a difference it made. The Maroons were once again the top side.

Kicking against a strong wind they tore into Richmond with Peter Stancovski at outside right combining well with Colbard and Vanypern, with King and Savage adding the finesse.

Altona had the ball in the net within two minutes. However, the ref. ruled it offside. The Tigers almost snatched a goal when in a lightning raid a tremendous shot from 30 yards out brought out the best in Roberts as he dived full length to fist the ball past the post.

Karamatos and Milloy pressed Altona back into the attack and it was obvious it was only a matter of time until a goal came their way. Savage missed from close in, the keeper cleared and King latched on to the rebound to head home an opportunity's goal.

The Tigers put on the pressure but Milloy and Ormerod were playing it tight and pushed them back. Delaney was putting in a lot of hard work with captain Ian Hynes proving to be the steady influence. Altona led 1-nil at half-time.

In the second half Altona went into attack and Ray King, who was playing harder than usual, belted home goal No. 2 from 12 yards out to make it 2-nil.

The speed of Savage was putting Richmond into all sorts of trouble. Twice they pulled him down inside the forbidden area.

Ray King took the first one, shot straight at the keeper and it bounced back into play. Ray had another go only to hit the outside of the post.

Five minutes later Ian Hynes took No. 2 and slammed it straight past the same post. Missing two penalty shots is a luxury no team can afford.

Stancovski and Savage were having a "ball." Billy headed narrowly over the bar and thrashed an unsavable shot on to the upright from close in.

Milloy was moving upfield to have a go yet no more goals were scored, leaving Altona a 2 goals to nil winner.

RESERVE XI
The Reserve XI played a 1-1 draw with Richmond. The Altona forwards didn't put enough effort into their play.

Balish, Allen and Bryden made a good defence with Kiden pulling off one really good save in goals.

This week Altona travel to Ringwood Hakoah who are now playing on a wonderful new ground — the B. J. Hubbard Reserve.

Altona are having a big night out at the Bacardi Room at the Central Hotel on July 25. Anyone wishing tickets should contact J. Balish. A limited number are available.

JUNIORS

UNDER 16

A very exciting game was witnessed at Kim Reserve last Saturday when Altona played Sunshine City in what was an important match as far as the League was concerned.

Altona were two points behind Sunshine and had to win to have any chance of winning the championship.

Playing with the breeze in the first half, Altona did most of the attacking but were missing many chances until Stoyanofski managed to score, but the lead was short-lived before Altona, passing the ball back to the keeper, saw the ball go into the net to level the score, but Altona came back to take the lead again with a good goal from Micheski and at half-time Altona led by 2 goals to 1.

Sunshine, in the second half, did most of the attacking and managed to level the score but Altona were not to be denied and in a great move saw Little go through and score a good goal to make the score 3-2.

In the last ten minutes Altona took a hammering from Sunshine but they were unable to break through the Altona defence and Altona won 3-2.

Best: P. Thompson, M. Al-sopp, N. Little.

ALTONA CITY DEFEAT WILLIAMSTOWN UNITED

Altona City showed a return to form by beating Williamstown United, 16-12 to 4-6 at Digman Reserve, Williamstown last Saturday.

Play in the first quarter opened up with two positional changes, Geoff Hardham to the wing and I. Harris to full-back replacing V. Pate das and L. Egan.

In muddy conditions Altona were first into attack against a determined Williamstown side set on keeping their final four hopes alive.

Ten minutes elapsed before good play by Geoff Hardham let Ron Lawson in for the first major. This was quickly followed up by goals to "Darby" Munro and Steve Chatfield.

Although Williamstown had most of the play in this quarter, Altona pressured them into hurried kicking thus enabling them to kick only three points for the quarter.

Altona's half-back line of Wes Jenkawitz, Bob Campbell and Richie Zapart were getting on top of their opponents early in the match and were ably backed up by I. Harris at full back, and John Neal in the back pocket.

The second quarter started with Marty Crump showing a lot of vigour in the centre getting the ball moving goalwards.

Austin Molloy "chipped" in and gave Ron Schwabe a chance to kick Altona's 4th goal. Altona's rovers Molloy and Chatfield were tireless in this quarter which helped to lift the side.

The backline made one of their few mistakes to let Williamstown in for a much needed goal in the last few minutes. But Steve Chatfield replied before the half-time siren to put Altona six goals ahead at the half-way mark.

The third quarter saw Altona going straight into the attack through the agency of the Brennan brothers, Peter and Graham, who were combining well.

Ron Lawson and Ron Schwabe both lifted their games considerably and gave some of the good football expected of these two players. Goals by Lawson, Molloy, G. Brennan and G. Munro put Altona in a good position at "orange" time.

Both sides were starting to feel the effect of the heavy conditions as the last quarter got underway.

Strong ruck play from Morrie Tisdale enabled Altona to go forward again through Burris, Keen and Ron Lawson who put the ball to Munro who kicked his fifth.

Williamstown were being repelled repeatedly from the backline play of Jenkawitz and Campbell.

Tommy Hogan came on in this quarter and took some strong marks around the ground.

Altona started to tire in the last few minutes which enabled Williamstown to kick two more goals, but as the final siren sounded Altona had run out comfortable winners.

Final scores: Altona City 16.12 (108) d. Williamstown United 4.6 (30). Best players: Campbell, Chatfield, Jenkawitz, Molloy, Harris, Hardham, Tisdale, Munro.

Altona Star votes: R. Campbell 3, S. Chatfield 2, W. Jenkawitz 1.

ALTONA v. NEWPORT
Altona played Newport at Newport last Saturday in a very tough game.

Newport with an improved team pressured Altona for three quarters.

Altona's best quarter was in the first when they kicked 6-1 to Newport nil.

1.30 p.m.: Final of Under 16 Boys' Singles.
2 p.m.: Final of Ladies' A Grade Singles. H. Shields v. B. Sandilands.
3 p.m.: Final of Under 16 Boys' Doubles.
3 p.m.: Final of A Grade Men's Singles. J. Trickey v. G. Findlay.
4.30 p.m.: Final of Under 16 Mixed.
Players are to turn up for all of these matches.

Plenty of fire during the game made up for the bad conditions, the players being covered from head to toe with mud. Players like Churchill, Hampton, Groves, Healey and Marshall really played well.

The backline played very tight all day. Players like Hickcock, Rennie, Parker, Russell and Paine burnt all day.

Parents of players must come along to see their sons play — it "helps". Best players: Churchill, Hampton, Healey, Paine, Groves, and the rest of the team.

UNDER 18

Altona City A. 8-18-66, defeated Altona City B. 3-2-20.

As conditions were wet and windy with the ball especially heavy the game, at times, was crowded. Both teams showed plenty of pace, vigor and enthusiasm.

Altona A Goals: K. Churchill 3, W. Patton 2, K. Moylan, A. Wilson, P. Tyrell.

Altona A Best: S. Grainger, R. Gordon, R. Courtot, W. Patton, P. Tyrell, C. Morgan.

Altona B Goals: D. Hitchcock, K. Dem, K. Haining.

Altona Best: W. Russell, H. Vanderpoel, R. Heaney, B. Smith, S. Stiller, R. Pratt.

Newport Baseball Club

A TEAM
Newport were defeated by Sandringham 3-2 in the ninth innings. Newport scored two runs in their second dig and this was their only score for the game.

The defence of both sides were on top. Sandringham scored one run in the sixth innings.

Newport was leading 2-1 at the bottom of the ninth when two hits and an error allowed Sandringham to score two runs, giving them the game. Safe Hits: S. Bunting 2, Minett, Cleary.

Best: Young, S. Bunting.

B TEAM

In a disappointing game Newport were beaten by a better Sandringham side 7-2.

Best: Middlemass, Maher.

C TEAM

In a game in which a couple of key players failed to turn up, Newport were in trouble all day and were soundly beaten 26-2.

UNDER 17 lost 3-0.

UNDER 15 won 10-1.

UNDER 13 drew nil-all.

Best: K. Henderson, L. Perrins, G. Eustace, N. Craddock, T. Smith.

PAST PLAYERS' MATCH

The past players' match on Queen's Birthday was a great success. There was a large attendance of nearly 50 past players plus many supporters. Ex-coach Ian Young did an excellent job in umpiring as did the junior players who helped out with the boundary and goal umpiring.

CENTRALS TOO GOOD FOR LAVERTON

Centrals were too good for the dogged Laverton side. Langshaw Reserve was completely sheeted in water, being especially bad in the goal squares and in the centre.

Centrals were taken by surprise by the tenacity and determination of Laverton who had first use of the breeze. The ball quickly became water-logged and play soon became scrumbly.

Laverton were winning in the ruck and getting the ball away from the centre bounces. Central's backline was playing well and held Laverton out for much of the quarter.

Centrals used the breeze to greater advantage with Ron Smutney again playing well at centre-half-forward. Laverton also played well against the wind but Centrals had a four goal advantage at half-time.

Central's greater teamwork soon became evident after half-time with ruckman Misha Laurin taking over completely in the ruck. Cole, in the centre, also began playing well and Centrals put on 6-8 for the quarter.

The last quarter was a dogged affair with neither side opening up the game.

Central's half-back flankers, Otto Stumbras and Len Anthony, put in their best games for the season and held Lav
